*Praised be God and Praised be the Heavens that dwells in the willing and enabled
Twentyfour; and which further requires the created One with the called Twelve
around.*

Praised be God, coated, descending and conquering as the One established forever; He that is going to erect Himself as a Black Tower.

Praised be the willing 28 whose little inner sacrifice by their blasting prayers is like the Sun of Noon in a moment of eternity.

Praised be thou the All-empowered God, Praised be your Fire that willingly consumes the fetters for our union.

Praised be the eternal Ones place of Saints that summons Light and Truth.

*Praised be the strong ALL in charge seeing the Child in the chamber of Baretz
adjusting the One from shadows to the simple ONE that will be around
everywhere.*

Praised be forever.

The Prayer to IOIAD; Him that lives forever.

[illegible]

Eternally are you that lives on forever.

Praised be you the 456 ages of time - Praised be you that enters and finishes in your fiery combustion.

The One without burdens whose place of Black stiff Fire pours 'more of this fire' making the visit become the torment of the Trinity and the mighty conquering of the howling black Fire to the work of resurrection.

Praised be your Heavens - Praised be your lit and standing being - Praised be eternally you that lives on forever.

The prayer of OIAD.
